Comment:
Changes of address or bank account details connection have to be notified. In case of delayed notification, there will be delays in a possible paying out of quota.

Comment:
The mandating of a lawyer is optional. The power of attorney must refer to the insolvency proceedings. The original power of attorney has to be enclosed.

I. Claim

As far as the principal claim consists of various individual invoices, please include a detailed listing as an attachment.

Comment: As of the opening of the insolvency proceedings, outstanding wages and salary should not be lodged to the schedule of creditor's claims, because these are preferential debts of the estate. In accordance with art. 53, 55 InsO (German Insolvency Law) these claims have to be registered automatically and if necessary be rectified beforehand by the insolvency administrator.

Interest may only be calculated until the opening of proceedings – date of the adjudication order. In the case of various claims regarding interest, please enclose a grading for the interest payments. Claims regarding costs can be asserted as far as they occurred before the opening of proceedings.

Please enclose a calculation of the interest and costs. Please ensure to take notice of the comments on the attached instructions (request for filing of claims).
